## DECLARATION AND POWER OF ATTORNEY UTILITY PATENT

**DOCKET NO.: 19723-36396** 

As a below named inventor, I hereby declare that: my residence, post office address, and citizenship are as stated below next to my name and that I believe I am the original, first, and sole inventor (if only name is listed below) or an original, first, and joint inventor (if plural names are listed below) of the invention entitled: "Apparatus and Method for Remotely Powering Access Equipment Over a 10/100 Switched Ethernet Network" which is described and claimed in the attached specification, and filed as provisional application no. 60/123,688 on March 10, 1999. I do not know and do not believe that the invention was ever known or used in the United States of America, or that the invention was ever patented or described in any printed publication in any country before my our X invention thereof or more than one year prior to this application. I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year prior to this application. The invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a), and that no application for patent or inventor's certificate on this invention has been filed by me or my legal representatives or assigns in any country foreign to the United States of America except as follows:

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I hereby claim foreign priority benefits under Title 35, United States Code, Section 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.
